The above prices are indicative of costs according to breed, size and service. Costs are based on "hands on time" of the groomer.

Grooming charges are based on an all-inclusive price. The above price schedule includes nails, trim, paw pads, ears, cleaning, face and general tidying, premium shampoo, conditioners and detanglers. Anal gland expression, medicated shampoo and knot removal require additional time.

The final price depends on the size of the dog, the style of the groom, the temperament of the animal and the quality of the coat. Poor condition of the dog's fur or intolerance for handling will increase the time taken. All charges are subject to change without notice.
